Terms & Conditions

By accepting the service bill issued by GreenSun Energy & Services, the customer acknowledges and agrees to the following terms and conditions governing the provision of solar installation and related maintenance services:

	CLAUSE	DESCRIPTION
1	**Manufacturer Warranty**	Your solar panels, inverters, and all equipment come with the manufacturer's warranty only (e.g., Adani). If any product is defective or stops working, you must contact the manufacturer's service centre directly. GreenSun has no role in product warranties.
2	**5-Year Service Period**	GreenSun provides a free 5-year checkup covering only the wiring and installation work done by our team. This is not a product warranty. Any issues with the equipment itself are outside this coverage.
3	**On-Demand Maintenance**	Maintenance visits are conducted only upon customer request. It is the customer's responsibility to contact GreenSun to schedule a visit.
4	**Exclusions from Service Coverage**	We are not responsible for: cleaning or washing of panels, dust/bird damage, damage from power surges or grid issues, or any work done by a third party on your system after installation.
5	**Limitation of Liability**	GreenSun's liability is strictly limited to installation-related issues only and does not cover equipment failure, energy loss, or any consequential damages.
6	**Acceptance of Terms**	By accepting this bill, the customer confirms they have read and agreed to these terms. If anything is unclear, speak to a GreenSun specialist before signing.
